

Interprovincial Association on Native Employment (IANE) - Westman, Bursary

This award is provided to assist two (2) students pursuing studies at Assiniboine Community College or Brandon University to help with the financial cost of attending post-secondary education.

Each bursary will be for \$750.00

The Interprovincial Association on Native Employment - Westman is a chapter of the national organization, The Interprovincial Association on Native Employment (IANE). IANE - Westman was incorporated as a Non-Profit in 2006 and became independent of the national organization although it maintains affiliation.

IANE - Westman's mission is for Unions, Government, Businesses and Native Organizations to work together to promote Native employment.

IANE - Westman's objectives include the following:

- Reflect the needs and wants of Indigenous peoples regarding employment.
- Provide advice, direction and assistance to Status Indians, Métis, Non-Status Indians and Inuit regarding employment issues.
- Assist companies and organizations that; associate with, assist or employ, persons or groups representing persons of Indigenous ancestry.
- Provide an information exchange about the policies and programs of Indigenous organizations, governments, industries and labour unions.
- Share information on successful Indigenous education, training, employment programs and to encourage the development and innovation of others.

These objectives are how we meet the following goals:

To provide value for membership by:

- Conducting periodic member surveys to develop recruitment and retention strategies, including potential programs and services
- Monitoring membership satisfaction
- Providing full disclosure of financial status to members

To provide a forum for and to promote initiatives involving all stakeholders committed to the full participation of Indigenous peoples in the work force by:

- Encouraging programs that are current and relevant
- Making a range of expertise available to members through periodic workshops
- Hosting annual membership meetings to provide opportunities to exchange information
- Sharing information and participating in events, career fairs, activities and conferences

To facilitate beneficial partnerships among members and non-members by:

- Identifying and arranging opportunities for partnerships with other national, regional, and local stakeholders
- Recognizing effective partnerships through the IANE Inc. newsletter and awards

IANE - Westman has successfully hosted 18 annual Indigenous Job Fairs, 2 conferences on Indigenous employment issues and 6 luncheons to celebrate Champions of Indigenous Employment.

All this has been possible through the efforts of our members and the organizations they represent. IANE - Westman has also been able to maintain linkages with both the Indigenous and non-Indigenous communities through the diversity and dedication of its membership.
